

T100 Calling 2020

Mandala Pack

Part 4

**Section 4:
DO**

**What
next?**

Hopefully we'll be able to come together in the autumn to reflect on the T100 Calling festival and plan for the future.

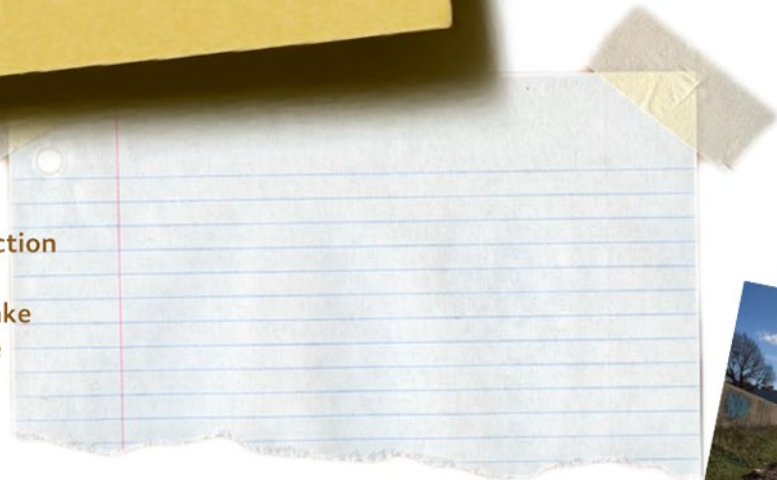

Part 1: Personal Reflections

What can you do now?

Write a list of things you discovered having taken part in the festival; what did you enjoy? Did you make any new connections? Did you learn anything about yourself, your community, art or local organisations? What changes would you like to see? Who can you ask to help you?

Reflections on the collection process – what did you discover? How did it make you feel? What could be different in the future?

Reflections on the making process—what did you think about? Who did you work with? Can you get involved with any local groups? How and when can this happen?

Part 2: Reflection Sessions

Details will be shared with volunteers who want to take part in these events. They will be held at the Kinetika Design Studio. These days will be an opportunity for you to work with local artists and organisations to reflective on the festival and to inform future T100 initiatives. It would be useful to start thinking about:

What would you like to achieve during the sessions?

Any questions for artists or organisers?

What can you do in preparation for this day? Is there anyone you need to contact?

After the sessions make time to reflect . What did you learn about yourself, others and mandalas? What actions need to be carried out as a result?

Part 3: T100 Calling Commitments

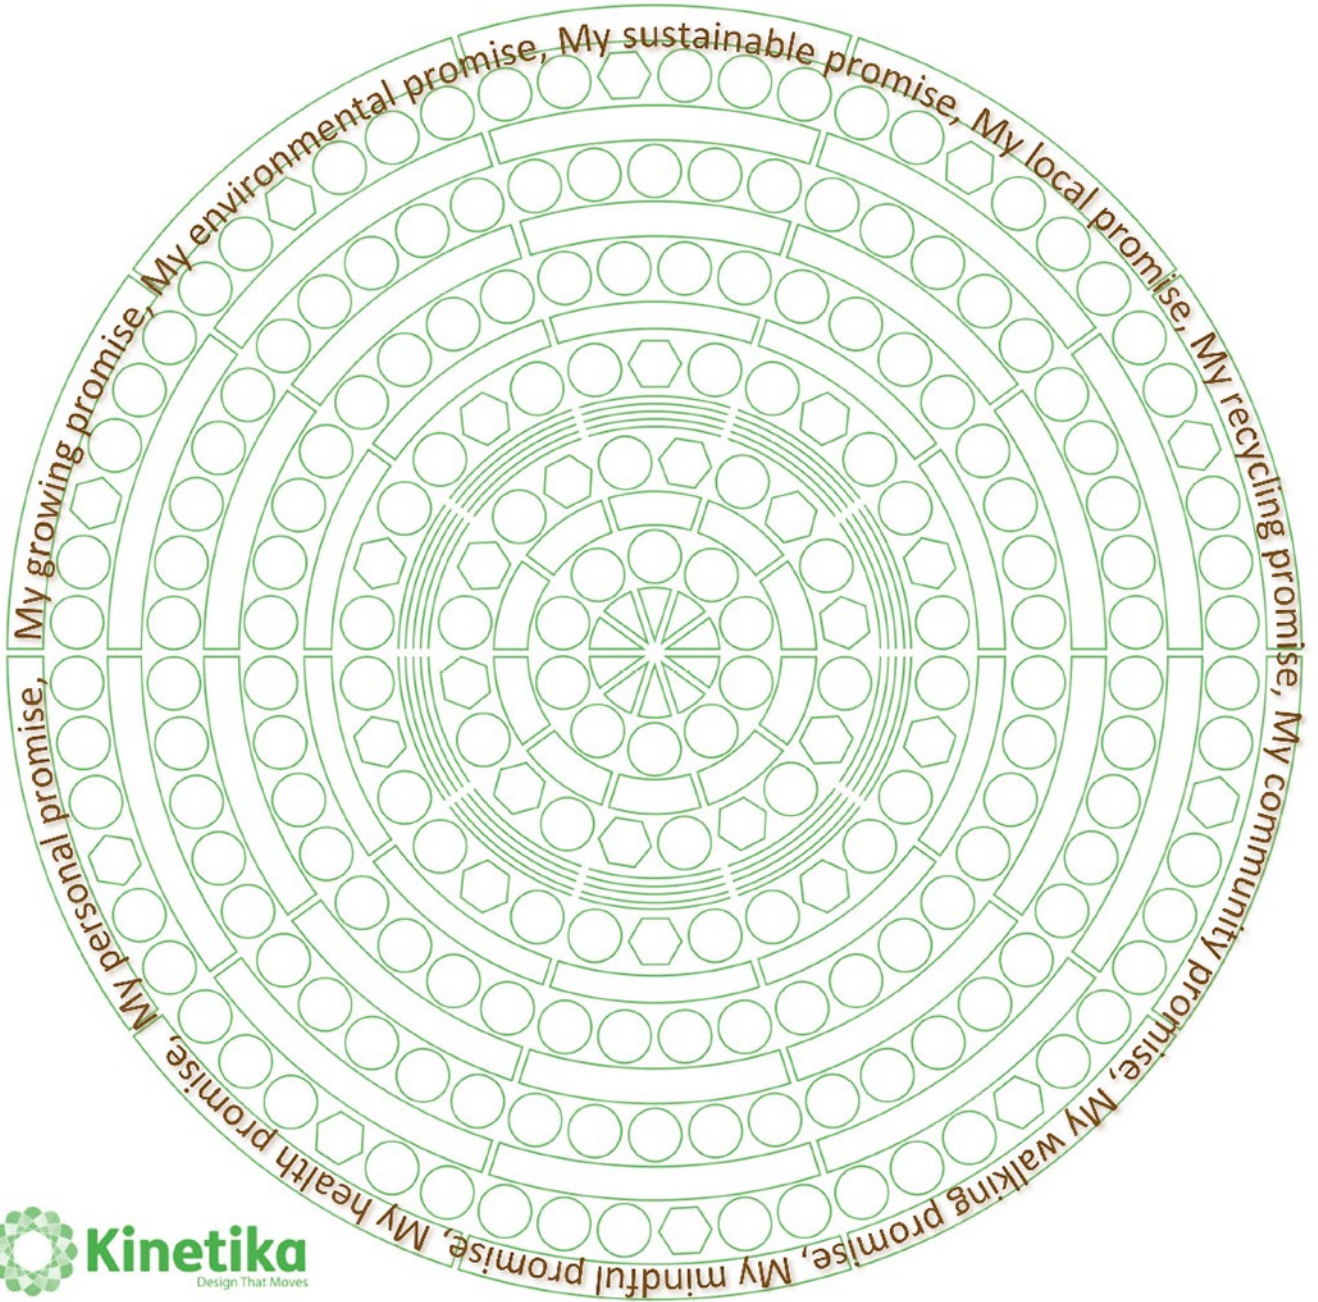

What difference can you make?

Complete the mandala moments activity on the next page.

Activity 1: Mandala Moments

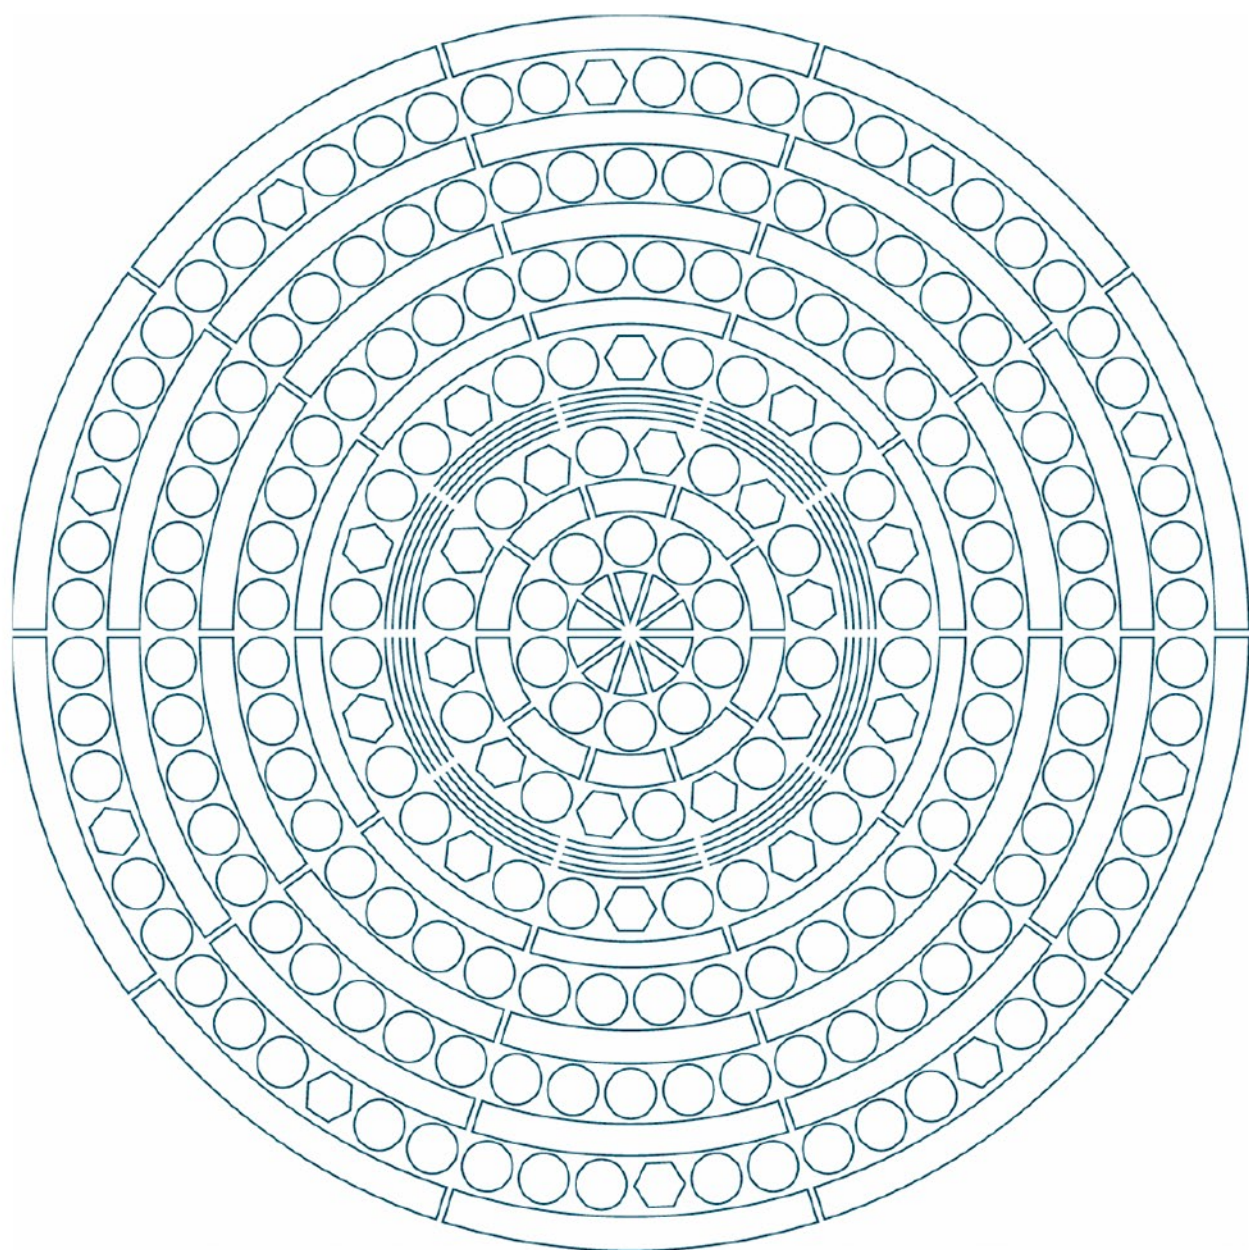

Use this page to record your promises based on the experiences you had. Can you make any personal or community commitments in response to the themes of T100 Calling?

Keep it safe in your box along with any collected items that have inspired you and remind you why these promises are important to you.

Keep Calling for action, Keep Creative and Keep Connected.

**Thurrock 100 would like to extend a
huge thank you to its funders and
delivery partners.**
