

T100 CALLING

WALKING, TALKING + MAKING
12th to 27th SEPTEMBER 2020

Join us for a series of walks and picnics along the Thames Estuary, starting and ending in the newly named Purfleet-on-Thames. This year is a call to action to rise to local challenges through the collective process of designing and making beautiful large-scale mandalas.

Together we will creatively re-imagine how we can make a difference in our communities for future generations.

All walks are free and led by experienced guides and Kinetika stewards
