Join us as we celebrate Tilbury's rich heritage, examine the present and imagine its future

Arriving at Tilbury Fort we will have access to this impressive historical site and be treated to a sneak peek of rehearsals for the T100 finale and a new song for Tilbury, 'Tilbury is the Place for Me'.

This is inspired by Lord Kitchener's 1948 Calypso "London is the Place for Me" sung upon arrival at

Tilbury Docks on the Empire Windrush. This new song for Tilbury is being created in partnership with English Heritage, Kinetika Bloco and award-winning, Trinidad born musician, Anthony Joseph, working with residents, Youth Services and the Gateway Learning Community. The finished piece will be unveiled at our finale event at Tilbury Fort on 1st August.
