

# T100 DREAMING

## WALKING, TALKING + MAKING FESTIVAL 26th JULY - 1st AUGUST 2021

Join us for a series of walks, inspirational talks and creative opportunities along the Thames Estuary. Starting and ending in Tilbury, this year we will share our dreams, creatively re-imagining a better future as we emerge into a post-Covid world.

Led by local artists and walk leaders, T100 will join with Kinetika's 500 mile walk Beach of Dreams. This begins in Lowestoft and ends with a week of specially devised walks in Thurrock that invite you to dream with us, culminating in a spectacular finale at Tilbury Fort.

All walks are free and led by experienced guides and Kinetika stewards

Workshops run throughout June and July
